## Message from the Vice-Principal

Dear Parents,  
Greetings to all!

Welcome back to the 2022-2023 school year which I am sure will be a year of great success and achievements. We hope that you are healthy and well, and were able to enjoy special times with loved ones over the short summer break. We took off the new academic session with great zeal and enthusiasm. The favourable conditions post pandemic forged us into the new academic year in the manner as we had planned to embark upon.

We bid adieu to some staff members and students, and welcomed some to the Triyog family. With new goals set and an attitude to strive for them, we start this journey with all our stakeholders. We are ready to embrace the year with successes and setbacks, highs and lows, and celebrations and farewells. I am confident without a doubt that our Triyog spirit and positive energy, teamwork, and dedication to excellence will guide us through another successful school year. I look forward to a productive partnership with our families this year, as we believe that a strong home and school connection is paramount to each students' academic and social/emotional success.

The extended learning at Triyog takes another leap as we enter into a collaboration with Unmath School that has added a new perspective to learning Mathematics. The Grade appropriate programs are implemented in Grades I to X.

We have successfully completed one term with the first term assessments held on the scheduled time. The second term of the academic year started from the 11th of July. On the academic front, preparations are underway to start the academic support classes for Grade X, and for Grade IX and VIII as per the need of the situation. All our energies and focus are directed towards providing opportunities to students to realise their true potential and try to exploit the same.

Do maintain the communication channels and use the same according to your need and convenience. If your contact information has changed, kindly update the same with our administrative staff. Do visit the School Facebook page and School website to keep yourself abreast and informed with the school activities and events

Warm Regards  
Savita Kapruwan

## Annual Prize Distribution and Investiture Ceremony

Annual Prize and Investiture Ceremony was organized on 23 May 2022. Prof. Dr. Tulsi Pathak graced the occasion as Chief Guest. The students were awarded with Merit Award, Best in Conduct, Best All Rounder, and Best Captain by Chief Guest, Executive Director, Vice Principal, and other special guests. Captains, prefects, and presidents from the student body and learning societies were also decorated with badges and sashes.

## Kindergarten-Graduation Ceremony

April 4, 2022 was a very proud moment for the entire Triyog family as our Kindergarteners celebrated their Graduation Ceremony and stepped towards their formal education of elementary schooling.

## SEE Batch 2076 & 2077-Graduation Ceremony

The graduation ceremony of SEE Batch 2076 and 2077 which was delayed due to Covid 19 pandemic, took place on 11 April 2022. Presence of Chief Guest Prof. Dr. Upendra Kumar Koirala (Former Vice-Chancellor Mid-Western University), Executive Director Mr. Ajit Lama, Vice Principal Ms. Savita Kapruwan, teachers, staff and students made it a grand ceremony. Motivational and inspirational words from Chief Guest and teachers pleased and guided all present.

We wish every success to all our graduates in their future endeavors.

## Curriculum Nite

Curriculum Nite for the Academic Year 2022/23 was held from 22 to 24 June with the purpose of increasing interaction between the parents and classroom teacher to make a common understanding of the grade-level curriculum and plans for the Academic Year. The abundant presence of parents made the program meaningful. Parents met the teachers and school administration, learned the communication strategy of teachers and contingency plan, got familiar with the learning environment of their wards, and the rules and policies of the School. To make the chain of information simple and quick, volunteer Parent Representatives were elected for each grade.

## Celebrations @ Triyog

## Interaction Session

### Tokha Municipality Office Visit

The students of Grade IX C visited the office of the Tokha Municipality on 2 June to observe how the municipality runs its activities in order to provide daily services to the public. They were introduced to different departments of the office, and the office personnels who briefed about their roles to run the office effectively. They learned about the official record-keeping system and the types of services provided by the office along with their procedures. The students were welcomed and briefed by the Chief Administrative Officer, Mr. Shankar Raj Pathak, and the office staff. The students also interacted with the Mayor, Mr. Prakash Adhikari, about the office activities and procedures including the financial transactions. The visit was planned and coordinated by our Accountancy Teacher, Mr. Anoj Pariyar, and was supported by Mr. Suresh Chaudhary, Senior Science Teacher. The interaction was integrated with their lesson 'Government Offices' under the curriculum of Office Practice and Accountancy.

### Ward Office Visit

As a part of their integrated learning activity, the students of IX D visited the ward office of Ward Number 6 of Tokha Municipality to observe how a government office runs its daily activities. They were introduced to the office personnels who briefed about their role to run the office. They learned how the official records of the ward are maintained by the ward office, and were also made familiar with the services provided and their procedures. The students were welcomed and briefed by the Ward Chairperson, Mrs. Shanta Khanal (Paudel), and the ward office staff. The visit was planned and coordinated by our Accountancy Teacher, Mr. Anoj Pariyar, and was supported by Mr. Balam Neupane, Senior Science Teacher. The program was integrated with their curriculum of Office Practice and Accountancy.

## Parents' Orientation

A perfect triangular relationship between the school, students, and parents is a basis for the holistic development of students and it happens with effective communication. Parents' Orientation for new parents was conducted successfully on 26 and 27 May 2022. The objective of the orientation was communicating information related to the School encompassing the school function, policies, amenities, services etc. which provided the parents a comprehensive understanding of school related matters.

## Interaction with Grand Parents

### Grade I

Some grandparents of Grade I students were invited to the school on 26 June for the interaction session with the first graders. The interaction revolved around the theme My Family and I. The grandparents shared their past experiences and talked about their childhood and schooling with the students. They also answered the queries put up by the students.

We would like to extend our gratitude to:

Mr. & Mrs. Kula Chandra Wagle

Mr. & Mrs. Ashok Singh

Mr. Shyam Mahat

Mr. Prakash Bhari

### Grade II

On 29 June 2022, the students of Grade II had an interaction session with some grandparents. The interaction was a part of the integration with the theme "When I Was Young In The Mountains". The students asked the grandparents questions related to their childhood and how their life was back then. The grandparents answered all the queries of the students with much interest and patience. We would like to express our gratitude to all the grandparents who spared time for the interaction session. We are thankful to:

Mr. Rabindra M. Bajracharya

Mr. Naresh Man Shrestha

Mr. Mohan Ram Gurung

Mr. Prem Raj Neupane

Mrs. Rupa Shrestha

Mr. Bal Krishna Poudel

## Interaction with Triyog Alumni

On 30th of June, the students of Grade IX B and IX D had an interaction session with Ms. Venus Bhatt, and alumni of the 2017 SEE Batch. The session highlighted the importance of participating in all school activities, its contribution to their professional growth, and identifying personal strengths and sharpening them. She also shared her experience of the process of getting scholarships in foreign universities. Ms. Bhatt is currently pursuing her Bachelor's Degree in Neuroscience in the United States.

## Field Visit

### Kindergarten - Central Zoo Visit

On 14 June, the kindergarteners visited the Central Zoo integrated with the theme Wild Animals. During their visit they observed the animals very closely and learnt about many wild animals, their habitats, their food habits, the sounds they make, and their babies. Besides learning, they had fun time and enjoyed their visit thoroughly.

## Grade I - Family Visit

On 29 June the students of Grade I went for a family visit. The students from Grade I A went to Subsha's family, Grade I B went to Aryana's family, Grade I C went to Urbi's family and Grade I D went to Ashrin's family. The purpose of the visit was to give the concept of a big or joint family to the students, especially to the students living in a nuclear family. The students were divided into different groups where they interacted with different family members like grandparents, parents, uncles, and aunts, and collected information about them. We would like to extend our sincere thanks to all the families who welcomed us with love and hospitality. Our special thanks to:

Mr. & Mrs. Pritam Thapa

Mr. & Mrs. Bikash KC

Mr. & Mrs. Uday Shrestha

Mr & Mrs. Shramir Rajbanshi

## Grade II - Meat Shop Visit

The students of Grade II visited the 'Three Star Meat Shop' at Dhapasi. The visit was based on "Uses of Animals" where the students observed different meat products we get from different animals. They were divided into five groups and were accompanied by the teachers to interview the shop owner. From this trip, they came to know where the meat comes from, what they do with the stale and unsold meat, how often they clean the shop to maintain hygiene, and the different types of processed meat that they sell in the shop.

## Grade III - Central Horticulture Centre Visit

The students of Grade III visited the Central Horticulture Centre, Kirtipur. The visit was based on the theme 'Plant Products' where the students researched the topics such as vegetables, fruits, cereals, and pulses. The students were accompanied by their teachers and parents of some Grade III students. They observed various plants and interviewed the staff of the centre, and filled up their trip sheets. They enjoyed the trip and learned about the names of plants, types of plants, basic nutrients, planting and harvesting time and how the plants are taken care of.

## Grade X - National Innovation Centre Visit

In the course of exploring the innovation, the students of Grade X visited National Innovation Center (NIC), Kirtipur in order to observe how it conducts its activities to modernize technologies in Nepal. The students observed and learned about technology used in agriculture, modernizing health care, innovation in artificial intelligence, software, and Information Technology. Various technicians and engineers briefed the students about how NIC focuses on developing innovative and affordable solutions designed to enhance and modernize various sectors and services in Nepal, and thus make the lives more comfortable. The visit was planned and coordinated by our Senior School teachers, Mr. Subhash Dawadi, Mr. Pramod Wagle, Mr. Shyam Sundar Jha, Mr. Prakash Pant, Mr. Suresh Chaudhary, and Mr. Balram Neupane.

Academic Initiatives

Exit Event- SDG Integrated Project (IV&V)

Integrated Exit Event of the fourth graders on the SDG theme "SDG 1 - No Poverty" and fifth graders on the SDG theme "SDG 6 - Clean Water and Sanitation" were held on 23 and 24 June respectively. Students presented an art & craft exhibition, PowerPoint presentation, dance, song, and drama with message to the visiting parents and guests.

3Di

3Di School conducted an introductory orientation session on 6 April for the learners from Grades III to VI, familiarizing them with various ED-tech tools which would help them enhance their digital literacy skills.

UnMath

UnMath School is our Mathematics collaborator from India. It is an organisation for innovative teaching, which is reshaping the sphere of learning with Creative Mathematics to enable students and teachers to look at the subject beyond conventional textbooks. It works on the ideology of Number Literacy and Number Interpretation. To give students a new perspective on Mathematics, Triyog High School is running the following three programs for Junior, Middle, and Senior level students.

- Grades I to III - Gamath (Gamifying Math)
- Grades IV to VII – Math Hotspots
- Grades VIII to X – Math in the City

Orator's Club Orientation

Triyog Orators' Club, an initiative started in 2021, focuses on providing opportunities to those students from Grades IV and V who want to better their public speaking skills. The Club conducted its first orientation session for this academic year focusing on all the students of Grades IV and V. This initiative was led by the executive members from Triyog Gavel Club.

Movie Screening

To create awareness amongst students about early child marriage and gender discrimination, a screening of the movie "Ujeli" was organized for Grade V. The main objective of screening this movie was to empower girls and to make the students aware of the causes of social malpractices.

Socio-Emotional Learning Session

Keeping the mental and socio-wellbeing of our students in mind, Triyog is continuously striving to conduct SEL Sessions in collaboration with the facilitators from Sambhavya Foundation.

Second Science Olympiad (Grades IV & V)

The finale of the 2nd Science Olympiad was conducted on June 28 and 29 for Grades IV and V respectively. Out of almost 250 students from both the grades only 16 students made it to the finals. Various rounds were conducted to ensure participation of all the students. Winners for this year's Science Olympiad are:

- |                      |                                      |

## Professional Development

### Workshop on the implementation of New Curriculum

The teachers need to be regularly updated on the government curriculum which is undergoing transformation currently. Mahesh S. Khanal and Pramila Adhikari from Mathematics and Nepali Department respectively participated in a workshop organized by National Curriculum Development Centre at Durbar High School on the implementation of new curriculum.

### UNMATH Orientation for Mathematics Teachers

Mr. Divesh Bathija, Co-founder of UNMATH SCHOOL conducted multiple orientation sessions for the teachers of the Mathematics Department to make them aware of how mathematical concepts could be connected with real life.

## In-House Professional Development Session

### Session on Overcoming Challenges

Teachers from Grades VI and VII attended a session conducted by Middle School In-Charge Mr. Nikendra Gurung on the significance of developing multiple strategies to overcome the challenges faced on a daily basis.

### Session on Team Building

Teachers from Grades IV - VII attended a session whereby they reflected on the importance of working as a team, and the various skill sets required to achieve the goals. Similarly Grades IV and V teachers actively participated in a session where they were provided with the techniques of project designing and planning.

## CCA/ECA/Sports Activities

## International Olympic Day Celebration

Triyog High School celebrated the Olympic Day 2022 on June 17. Many sporting events like Basketball, Volleybal, Chess, Table Tennis, Wushu, and Judo were organized to mark the occasion. Students participated in the games ardently and showed their skills and devotion to the game. Learning from the failure, team spirit and excellent made them win the games.

## Charity Sale By Students

Soyung Rai, Ashrika Acharya, Neha Kharel, and Sparsh Thapa from Grade VII sold badges, stickers, and books to the visitors of Curriculum Nite to raise funds for the treatment of a kitchen staff member who has been undergoing treatment for breast cancer.

## International Yoga Day

International Yoga Day 2022 was marked by the students of Grade IX under the guidance of the Health Club. Yoga and Sports Instructor Mr. Puskar Raj Pant joined the students as guest and Yoga guru. Students learned and performed different Yogaasanas with the instructions and motivational words of the instructor.

## Presentations by Triyog Learning Societies

Triyog stands tall in terms of providing experiential learning and a global platform to expose the students. Different Learning Societies and Clubs are formed to provide twenty-first-century skills to the students. One student representative from all the Learning Societies, Triyog Gavel Club, TED-Ed Club, and Duke of Edinburgh's International Award delivered speeches to encourage new members to join the clubs and societies. They introduced the mission, vision, and working framework of the respective club and society in the assembly, and highlighted the benefits of joining these platforms.
